The Ringer™
by Stream Dudes

StreamDudes
Streaming Made Easy

Got Ringer.
Will Travel.

Take Your Productions on the Road

Demanding, multi-faceted events, held in challenging locations (like say, a bridge for example), leave little room for error. The Dudes believe complex situations need only a simple solution. No time to argue. You NEED your ace in the hole: The Ringer.

Send in The Ringer, Man

The Ringer, Stream Dude's newest streaming machine, is as practical as it is powerful. Easy-to-use, easy-to-tote, and confined to a single box, The Ringer is packed with features, including: vMix Pro, Quadro GPUs (with resizable BAR RAM enabled), 1TB M.2 NVME SSD, dual-port 10GB NIC, and a built-in 21-inch HD monitor—the largest integrated monitor available on the market today.

Available Models

This astonishingly powerful switcher is available in two weight classes: the 8-input Walterweight; and the 12-input Heavyweight.

Features:

- Convenient, portable briefcase design with built-in 21" LCD monitor

- Eight (8) hot-swap SSD bays for additional storage

- vMix Pro Software

  - Simultaneously stream to multiple destinations

  - ISO record in a variety of CODECs

  - Chroma key

  - Control multiple instances of Instant Replay

- Intel Core i9 X-Series CPU

- NVIDIA RTX Quadro GPU with resizable bar RAM

- 10GB dual-port NIC

- One (1) 1TB NVMe M.2 SSD

- Foam-lined, heavy-duty, injected molded rolling case

- Exceeds vMix reference system Diamond specifications

- Thee-year product warranty
